## COUNTRY STORE IS THE VICTIM OF A VERY BOLD ROBBERY

THE HOUSE OF CALDWELL BROS.  
ON BEAR CREEK PIKE  
ENTERED.

### NO CLUE TO THE PERPETRATORS

Deed Was Done at 7 O'Clock Last Night on One of the Most Frequent Roads of the County—\$115.00 Was Taken.

What is one of the boldest robberies ever perpetrated in Maury county occurred Wednesday at the store of Caldwell Brothers, on the Bear Creek pike about five miles from the city. The robbers got away with \$115 in cash and about \$25 in checks. There is no clue to their identity.

The fact that the robbery was made at 7 o'clock in the evening in a thickly settled community, right on one of the most traveled pikes in the county shows it to have been done by bold and desperate men who were not new to the business.

At 7 o'clock last night Mr. Butler, who lives not far from the store passed by the store on his way home. Seeing a light in the store, some one striking matches, he called to Mr. Caldwell and asked "What are you doing there so late at night?" assuming of course that the person making the light was one of the proprietors of the store.

No response came from the store but a man on the outside, standing in the shadow, it then being quite dark, replied "You had better ride on right now." Mr. Butler naturally did not lose any time in "riding on." In the meantime the robbers made a getaway with their booty.

The store was entered through the window. The safe in which the money of the firm was kept was an old fashioned affair that once in the years gone by, did service as Maury county's strongbox. It had no combination but is locked with an old time padlock. This was easily broken and a quick entrance effected. It is evident that the robbers had previously made a full survey of the premises and were thoroughly familiar with their surroundings.

Messrs. Caldwell did not discover the robbery until this morning when they found the store door opened. The officers were quickly notified and bloodhounds placed on the trail. The trail was followed to the railroad near the depot, where it is presumed the robbers took the train, although no tickets were purchased.

Notice has been given the banks not to cash the checks taken, and a clue may be obtained by the efforts to raise money on some of the checks.

## PLENTY OF RAIN TWO MILES WEST

RAINS HAVE FALLEN IN MANY PARTS OF COUNTY, SOME SHOWERS HEAVY.

The rains of the past few days seem to have been general "in spots," and showers are reported from various localities. In some instances they were rather light, while in others they were very heavy. One locality about two miles west of this city on the Campbellsville pike has had more rain than any other portion of the county, as far as reported, having had splendid showers two or three days in succession. Tuesday the rain fell in torrents for two hours.

The ground is wet enough in that vicinity to permit plowing, but a short distance beyond the rain amounted to practically nothing.
